					Team 3: Richards

Romeo Girls Softball Fall Fun Day General Rules

Rules (Juniors/Minors) - No new inning will start after 75 minutes. Games will have a hard stop at 85 minutes no matter what so that we stay on schedule. If the game ends in the middle of an inning the score of the last complete inning becomes official.

Determining home team - The umpire will do a dual coin flip to determine who has the choice of being the home team. The umpire calls up each team's coach and/or captains together before the game at home plate. The umpire then picks 1 team as heads and the other team as tails. He/she then flips the coin. The winning team of the first coin flip gets to call heads or tails for the second umpire coin flip. The winning team on this flip gets to choose whether they want to be home or away.

Games do not count in league standings

This is a fun day not a tournament. There are no official winners or awards.

All other regular season rules apply if not listed here.
